## USE OF LANDFILL POLICY

The Town of Seymour, in agreement with the Advanced Disposal Seven Mile Creek Landfill, is able to provide free landfill services for all Town of Seymour residents for the disposal of residential waste under the following conditions:

1. The free service is available on Tuesdays from 12:00 to 4:00 pm and Saturdays from 8:00 to 11:30 only.
2. Items not included for the free service are construction and demolition type materials, tires, car batteries, asbestos, electronics, appliances with Freon, and commercial business related waste. Questions regarding allowable items should be deferred to the landfill personnel. 715-830-0284
3. All residents are encouraged to recycle as much as possible. Recycling information can be found on the County website at [www.co.eau-claire-wi-usa](http://www.co.eau-claire-wi-usa) . Also, consideration should be given to donating useable items to various nonprofit organizations in the area such as Goodwill and Hope Gospel Mission.
4. All residents are allowed only one permit per household and the permit is vehicle specific to the vehicle to be used for their garbage hauling. Changes in vehicles must be reported to the Town. Attempting to use the landfill with a different vehicle, shall result in refusal of service by the landfill.
5. Permits are not to be shared with non residents or others.
6. Residents are not allowed to remove anything from the landfill that they might consider salvageable.
7. Privileges may be revoked and/or suspended for violations of the policy as agreed to by the Landfill and the Town of Seymour.
